All DELUXE services include: cost optimisation by leveraging legacy text (either in-house or from other translators) - repetitive text is only counted once, and text with partial matches to legacy text will be discounted appropriately.														
All DELUXE services include: optional terminology management services – you can be provided with reusable digital resources to ensure terminology of consistency throughout subsequent projects.														
All DELUXE services include: human and digital quality assurance.														
**Includes full proofreading by a German native speaker, as well as quality assurance by a German native speaker if requested														
Legend: Y Yes N No O Optional/Negotiable - N/A														
Standard Tier
